**DETAILED ACTION**

***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims <sup>1-6 and 8-11</sup> ~~1-11~~ are rejected under 35 U.S.C. 102(b) as being anticipated by Yu (US 6,224,173).

Yu discloses a tray 1 comprising non-tapered square cavities 2 that are substantially symmetrically open-ended at each end. The cavities are a uniform size and shape and further comprise a plurality of evenly spaced, uniform ribs 25 protruding into the cavity, and positioned around said cavity at intervals. The ribs 25 are longitudinally positioned parallel to the length of the wall of the cavity, and extend along the entire length of the walls. Finally, Yu's tray is made of plastic (col.2, l.49) considered to be a rigid material

***Response to Arguments***

3. Applicant's arguments with respect to claims 1-11 have been considered but are moot in view of the new ground of rejection.

Art Unit: 3644

***Conclusion***

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
